For The Love of The Game Sports Del City/Oklahoma City Optimist Club operates Del City Ball Park and Davis Ball Park and is dedicated to providing a place for kids to learn the rules and fundamentals of baseball/softball. These rules are established to help achieve the highest standard of sportsmanship and fair play while maintaining a safe and enjoyable environment.

Del City Ball Park & Davis Ball Park General Park League Rules

For the Love of the Game Sports: Baseball Division will play Official Baseball Rules, as published by Sporting News, modified by Local Park Rules. Official Baseball Rules closely resemble MLB Baseball rules. Local park rules will take precedence. Park officials will decide field playing conditions. The age cut off for Baseball is May 1st of the current year. *Example: a player who turns 7 years old before May 1st of the current year is too old for 6 year old t-ball and must play 7 year old Machine Pitch.* Softball Division will play ASA Softball rules, modified by Local Park Rules. Local Park Rules will take precedence. Park officials will decide playing conditions. The age cut off for Softball is Jan 1st of the current year. Whatever age a player is before January 1st of the current year, is the age division they will play. *Example: A player turns 7 on or after January 1st of the current year is still eligible to play 6 & Under tee ball.*

CONDUCT: Unsportsmanlike conduct will not be permitted on or off the playing field. Unsportsmanlike conduct by any player, coach, or any spectator will result in ejection from the game or ballpark as determined by officials for the benefit of the ball park and its guests. Any person ejected from a ball field or directed by park officials to leave the ball field or ball park who refuses to do so may be prosecuted for trespassing. A Park official, including field umpires, have the authority to eject any unsportsmanlike person from the park. In the event the ejected party refuses to follow instructions and leave the field or park, as instructed, after a second warning to leave, the umpire will forfeit the game and award the win to the opposing team. It is our desire to always allow parents, players, coaches, and other fans to enjoy the games. With this in mind, ejecting a person from a game or the ball park is not our first choice. However, if in our opinion, removing the party from the game/park will be in the best interest of the ballpark, and our guests, we will take such action. Verbal abuse of coaches, players, fans or umpires will not be permitted.

In the event a league coach is ejected from a league game he/she will be suspended from coaching their next scheduled league game. In the event a league coach is ejected a second time from a league game he/she will be suspended for their next two (2) scheduled league games. Suspended coaches will be permitted to attend the games, and watch from the stands, unless instructed otherwise by park officials. He/she will not be permitted in the dug out or on the field, before, during or after the game.

In the event a coach is ejected from a league game a third time, a review committee meeting will be held. The review committee will be comprised of two (2) park officials, head umpire, and two impartial coaches, from another age division. The review committee will discuss the issue with the coach and involved umpires, and make a determination as to whether he/she should be permitted to coach future games at the ballpark. The Review committee's decision shall be final.

GATE ADMISSION: NO REFUNDS OF GATE ADMISSION: Children fifteen (15) years old and younger are admitted to the park free. Guests 16 and older will pay a daily admission to enter the ballpark. All paying guests will be offered a "hand stamp" upon entry into the ballpark. To re-enter the ballpark, during the same day, you **MUST** have your hand stamped, no exceptions. In the event of rain, the ballpark staff will make determinations of field conditions. If park staff determines games can not safely be played, because of weather or field conditions, games may be suspended, delayed or cancelled. If games are delayed or suspended, rain check tickets will not be given, since the games are expected to be continued after a delay. If you leave the ballpark, be sure you have your hand stamped, as your stamp will allow you re-entry to the park when games resume. If you do not have your hand stamped, you will not be permitted to enter the park without paying admission. If games are cancelled, as a result of field or weather conditions, and the games are not considered "complete", rain-checks will be issued to those who have their hand

stamped and are with a team which did not have a complete game during the same day. Rain-checks are only valid for the same game once re-scheduled.

RAIN-OUTS: Ball park staff will make every effort to prepare the fields for nightly league games. In the event of rain, a decision on playing or not playing **will NOT be made until 4:00pm each day**. You can check on the status of your league games by calling the ballpark office, **AFTER 4:00pm**, for a recorded message. If games are cancelled, a recording will state games are cancelled and are rescheduled for another date. Please make a note of the rescheduled dates. If games are ON as scheduled, the recorder will make no mention of the status of today's games, you will get the normal recorded message. Phone numbers to call for game status:
Del City Ball Park (405) 672-5055 ● Davis Ball Park (405) 691-4076.

PROTEST: A protest which involves an umpires judgment is not permitted. If a protest is based on an interpretation of the playing rules, the protesting head coach, (the coach listed as the head coach on the teams official roster) must, at the time the play/ruling occurs, notify the home plate umpire, the opposing coach and the scorekeepers that the game is being played under protest. The coach must state what rule/ruling he is protesting. The plate umpire will make a note of the time and situation of the game, and instruct the scorekeepers to make notes in each teams score-book. The game will continue and be completed. The protesting coach **MUST**, immediately following the game, report the protest to the park officials and pay a \$100.00 protest fee. Protest fee must be paid in certified funds. Protesting coach will state, in writing, the purpose of protest. The protest will be heard by the park Protest Committee within seven (7) days. The Protest Committee will be made up of two park officials, head umpire, and two impartial coaches from another age division. All involved parties will be heard. A decision will be made by the Protest Committee and will be announced to all parties. In the event the protest is ruled invalid, the protest fee is forfeited. If the protest is ruled valid, the correct ruling will be applied, from the time of the protest, and the game will be played from that point forward. Both teams will be advised of the rescheduled game time and date. The decision of the Protest Committee will be final.

COACH PASSES: Each team will receive three (3) coach passes to enter the ballpark for League Games. These passes will feature the photo of the coach. You **MUST SHOW** your pass each time at the gate to enter without paying gate admission. Passes are intended for the coach they were issued to. Do not share your pass with anyone else, as it will be destroyed by park staff. Lost, stolen, destroyed, misplaced or otherwise passes **WILL NOT** be replaced under any circumstances.

FORFEIT FEE: It shall be the responsibility of the all coaches to see that his/her team appears for all of its scheduled or rescheduled league games. Failure to appear will result in the forfeiture of the game. Any team who forfeits a league game will be required to pay a \$50.00 forfeit fee to the park office prior to their next league game. Failure to pay the forfeit fee prior to the scheduled time of the teams next game will result in the suspension of the head coach from coaching until fee is paid.

PLAYOFF GAMES: At the end of the season, teams tied for 1st, 2nd or 3rd place will participate in a play-off. Each team will pay the umpire fee for this game.

MISCELLANEOUS ITEMS: No refunds of gate admissions under any circumstances. Pets are not permitted in the ballpark, except those assisting a disabled individual. No soliciting of any kind permitted at the ballpark, inside the ballpark or in the parking lot area. No alcoholic beverages

permitted in the ballpark. No outside food or drinks will be permitted to be brought into the ballpark. No ice chests, No coolers: (including soft side or regular coolers, small or large), These items will not be allowed in the ballpark. *(Please understand, we must have a zero tolerance for alcohol in the ballpark and many people have attempted to bring alcohol into the park in coolers. This is the primary reason for these rules.)* Team water jugs, those with a pouring nozzle, are permitted in the ballpark. The ballpark does have some large water jugs available for use. If you need one, just ask for one, and yes it's free to use them!
